

## iPad Check Parent Reminder

### Why Random iPad Checks?

As stipulated in the School's Code of Conduct and Use of iPad agreement, student's need to ensure the content on their iPad is age appropriate, in agreement with the school's Christian values, and does not represent or resemble any illegal material. The iPad User Agreement states that random checks may be performed at any time for the purpose of reinforcing the school's policies and user agreement expectations.

### What Content is Checked?

The following items are checked:

- Restrictions (parental settings) are on and password protected with a password the student does not know (iPads without Restrictions on will be disconnected from the school Wi-Fi).
- Apps on the iPad are age appropriate.
- Messages are not being sent during school hours (content of messages will be checked if there is a report to the school of inappropriate messaging).
- That Apps, accounts and features are set according to the expectations of the School's Restrictions Policy and AppleID Policy (e.g. FaceTime and Social Media Apps off).

Other items:

- Apps from class App list are installed.
- Sufficient storage space is on the iPad to allow school related files and downloads.

Photos:

- Photos are only checked if there is a report to the school of inappropriate photos being taken or shared.

### What Do I Need to Do?

If your child has content on their iPad that is in breach of the School's User Agreement or needs review, you will receive an iPad Notice. Please address the items on the notice immediately, relevant policies will be attached to provide the information and steps you need to rectify the items. A follow up check will take place to ensure the items have been addressed, any items left outstanding will come under the consequences outlined in the iPad User Agreement. If there is any content on your child's iPad that requires immediate attention you will be contacted by the school and iPad withdrawal may be determined as per the Consequences in the iPad User Agreement.

### Questions or Help Needed?

Please do not hesitate to contact the Assistant Principal if you have questions or need assistance, parents on the iPad committee are also available to help you with configuring your iPad.
